

Special Roundtable Event for University Students Learning English

This is an invitation for students to come to an evening of informal chatting in English before the CUE SIG ESP Symposium

September 20, 2024 6:00PM – 7:50PM

Iwate University – Ueda Campus, ~~Ginga Hall~~ Student Center C <https://tinyurl.com/y3xd9vfd>
4-chōme-3-5 Ueda, Morioka, Iwate 020-0066

This is for students to meet with English teachers (Japanese and non-Japanese) to:

- talk about a study-abroad experience, or even just the planning for it.
- talk about any student research project they are doing that involves English (like creating materials for a tourism project or doing surveys in English).
- get some feedback on what to learn if students are planning to go into jobs that need English. Maybe even ask questions about exams like TOEIC.
- talk about any English-language zemi topic.

This will also be a great opportunity to network with professionals that want to hear your stories

Contact sigcuepresident@gmail.com for more information...or just come and attend!!
