

Overseas Participants: Visas and Sponsorship

Please note that NPO JALT (which CUE SIG is affiliated with) is unable to lend any assistance towards the application for visas. Specifically, we are unable to:

- Provide any offer of or actual sponsorship of speakers.
- Provide immigration paperwork or documents of this kind.
- Provide any assistance with travel arrangements.

Participants from outside Japan should check the following government site http://www.mofa.go.jp/j_info/visit/visa/ regarding visa requirements for entry into Japan.

Please understand that JALT assumes no financial, legal or personal responsibilities for a conference attendee. The onus is on the attendee to arrange for their entry visa to Japan. Presenters, upon acceptance of their paper, may request a letter from JALT stating their acceptance.
